FOR CONGRESS.

We are authorized to announce HARVEY
HELM, of Lincoln county, as a candidate to
represent the Eighth Congressional District
of Kentucky in Congress to succeed Hon G G
Gilbert, subject to the action of the Demo-
cratic party.

Farm for Sale.

We have for sale a splendid Garrard
County farm. It lies on the Lexington
pike about 3 1/2 miles from Lancas-
ter, and contains about 235 acres. 75
to 100 acres of this farm are suitable
for hemp and tobacco. A part of this
hemp and tobacco land has been in
bluegrass for the last thirty years.
This farm lies well, and has a brick
residence on it. This is a fine farm.
If you wish to see us about it you can
find us at the residence of H C Jen-
ninet in Lancaster, Ky.
John M Orand.
Lia Orand.

Of local interest.

The grand jury got busy early, and is
doing some splendid work.

The weather has been extremely hot
and oppressive for the past week or
ten days.

The farmers are busy as bees, hemp-
cutting, wheat and tobacco command-
ing their principal attention.

Danville is to have a brass band.
They always were good on the "blow"
over there, and the organization will
be a success.

Call at Miss Lena Brights any time
during Circuit Court and get a good
dinner, also court day dinner served
from 11 to 2 o'clock.

Help is scarce and high. A good
colored man, one who can be trusted,
commands most any price for his la-
bor. Good ones are scarce.

The colored teachers Institute has
been changed to September 24, and
will be held at Baptist church conduct-
ed by Prof C C Monroe, Lexington,
Kentucky.

Typhoid fever is causing much
trouble in neighboring towns. Keep
your premises clean, and watch the
drinking water. The latter should be
boiled, so say the physicians.

Communion Sunday.
Communion services will be held at
the Presbyterian church next Sunday
morning, at 11 o'clock. The usual pre-
liminary service will be held Friday
evening at 7:30.

The L & N will run another \$1.50
excursion to Cincinnati next Sunday.
Train leaves Lancaster at five o'clock,
a m returning train leaving Fourth
street station, Cincinnati, at 7:30. A
big crowd will go, as there will be
many attractions in the Queen City.

Will Price Getting Well.

His legion of Lancaster friends will
be delighted to learn that Hon W J
Price has about fully regained his
strength and will soon return to Dan-
ville and resume the practice of law.
He has been at Asbury Park, N J for
some time.

Garrard and Boyle counties have
united in having the bridge over Dix
river, at King's mill painted. This is
one of the few remaining covered
bridges in the state. However, it was
built back in the days when people
were honest, and is good for many
years to come.

The Danville Advocate says the
Queen & Crescent road will run no
more Sunday excursions from that
city to Cincinnati, on account of the
heavy shipment of freight. The last
one was run last Sunday. The half-
fare rates which have been in effect on
Sunday will continue, however.

Officers Beazley & Herron rounded
up a bunch of Battle Row coons on
the charge of adultery, and the chain
gang has several new additions to its
number. The worthless coon is cer-
tainly faring hard in Lancaster. Keep
up the good work, and those who will
not work will have to seek another
climate.

Sale of Farm.

Hughes and Swinebroad, real estate
agents, report the sale of the farm of
Ambrose Calico of 115 acres near Mc-
Creary to Mr W A Moberly of Madison
county, at \$47.00 per acre. The pur-
chaser will be welcomed, as he is a
good citizen. Several sales of prop-
erty, for homes and as investment, are
in prospect.

Patronize the Lancaster Man.

Many citizens are showing good, honest
sense by laying in their winter coal.
By the way, don't be led off on a mouse
track by "going in" with other parties
and getting a car load, but buy direct
from your local dealers. They will
sell it cheap as you can get it, and
make a little money, too. Don't fail
to patronize the Lancaster men, and
thus keep your money at home.

Must Give Names.

One of the laws passed by the last
Legislature requires all persons doing
business under a firm name, in which
the full name of one of the partners
does not appear, to file information in
the county clerk's office of those com-
posing the firm. A penalty is im-
posed for violation of \$25 to \$100 or im-
prisonment of from ten to thirty
days.

Examination for A. & M.

The examination, for appointees to
"Normal Department of A & M Col-
lege of Kentucky, will be held at office
county Supt, September 7 & 8. Teachers
or persons preparing to teach may be
admitted at rate of not more than
four from each county upon the same
conditions, receive some benefit and
have same privileges as appointees to
the college proper.

Have a Cheerful Home.

West & Herndon, the hustling music
dealers, have sold several fine pianos
during the last ten days, and have
just received a bill of new instruments.
They will make you the best and most
reasonable contract you ever saw.
Cheer up your home by putting in an
organ, piano or graphophone—they do
not cost much, and West & Herndon
will make you better figures than you
can possibly obtain elsewhere. Call at
their store on Danville street, and see
the handsome instruments.

Investment in Lancaster Property.

Hughes & Swinebroad report that
they have just sold to R L Davidson
the property of J M Vanderpool on
Danville Street consisting of house and
4 acres of land at about \$400.00 per
acre, this property was purchased as an
investment, and is the special bargain
advertised last week.

Hon. N. B. Hays Speaks.

Hon N B Hays, candidate for the
Democratic nomination for governor,
spoke to a large audience at the court
house Tuesday afternoon. Mr Hays
has been prominent in political cir-
cles for many years, and is a fine speak-
er. His friends are delighted with his
prospects, his speech here made many
votes for him.

Fur to Fly in Lincoln.

The Local Option Committee, of
Lincoln county, has buckled on its
armor and declared war to the knife
and knife to the hilt in the fight now
on in that county. The election will
be held under the new county-unit law,
and the vote will be taken Wednesday,
Sep 12th. All the county is now dry,
except Hustonville and Stanford, and
it is believed the dries will win by an
overwhelming majority.

Pure Carelessness.

For the past two weeks the Sunday
papers have failed to reach the Lan-
caster office until Monday, and much
anoyance has been caused thereby.
These papers should be put off the
L and N at Stanford, where Mr Gulley
the stage man receives the Lancaster
mail. Uncle Sam is paying someone
to attend to this, and we trust the
marked copy of this paper, which we
will send to headquarters, will be in-
strumental in remedying the careles-
ness.

Stick To The Home Merchant.

Our merchants take the farmer's
produce. With them he finds a ready
market for his butter and eggs, his
potatoes and apples. These depart-
ment stores in the cities take only his
money. Our home merchants, not for
profit, but for accommodation and to
assist the farmers, buy his produce.
They sell it in majority of cases for less
than they pay for it and handle it at
loss, yet some farmers do not appre-
ciate this and take this very same money
and send it to a department store
when they could get better bargains
right at home.

Rue & Currey's Agency.

Rue & Currey, Real Estate Agents
of Harrodsburg, Ky., made the follow-
ing sales last week: For L M Rue his
208 acres, known as the Nat Lafon
home, one mile out on the Danville
pike, to Watts and Matherly, of Jenk-
insville, Ky \$15,000, equal to cash; pos-
session January 1st 1907. For S F
Moore, his farm of 180 acres on the
Handy pike to J C Gentry and Bros
for \$18 150, equal to cash; possession
January 1st, 1907. For J H Watts his
5 1/2 interest in a flouring mill at
Jenkinsville, for \$2,000. For J C Wil-
son a house and lot to Mrs Rebecca
Vanarsdale for \$550, cash. For Ed
Sallee a house and lot on Lexington
Street to Mrs Rebecca Vanarsdale for
\$600, cash.

The Rural Routes.

The rural routes were established
for the benefit of rural homes, or in
other words the farmers, some of
whom, at first, were not altogether
pleased with the innovation. They
have, however, proven a much greater
benefit and blessing to the farmer
than was anticipated by the most sin-
gular. A farmer who has once enjoyed
the advantages of the rural mail
service would hardly know how to live
without it. It did not come to the
farmer, however, until he had many
times earned it. The farmers are our
heaviest taxpayers. What property
they have is in plain sight and is taxed
while the city gent, at least many of
them, who deals in notes and bonds is
enabled to hide his wealth from the
Assessor. For a quarter of a century
the mail has been carried to the city
home, not once but many times each
day. Finally the big heart of Uncle
Sam has reached out to the men who
feed the world.

Outlook Bright.

Bids for the privileges for the Big
Bluegrass Fair to be held at Lexington
the week of September 17 to 22 were
opened last week. Over four thousand
dollars was realized for these privi-
leges, which is a thousand dollars in
excess of the amount paid for the privi-
leges at the State Fair last year. This
of itself is indicative of the general
interest in the Bluegrass Fair and the
realization on the part of those seek-
ing privileges that it will be the most
successful fair ever held in Kentucky.

The demand for catalogues, which
were issued the first of last week, has
been very great. It has come not only
from every section of Kentucky, but
from many other States. One man in
the northernmost section of New York,
another at Meridian, Miss., and others
scattered throughout various sections
of the country have written to Sec-
retary Bain for catalogues, not with an
idea of making exhibits, but simply
because they expect to come to Lex-
ington for the Big Bluegrass Fair and
want to see exactly what program will
be provided. It is confidently predict-
ed that the largest crowds in the his-
tory of Lexington will assemble on the
three big days of the fair. Secretary
Bain, in his enthusiasm, declares that
all six days will be equally big days.

Card of Thanks.

I take this method of thanking
those friends who so kindly assisted in
saying my property at the fire Tues-
day night. I am very grateful, indeed.
J C Robinson.

Fire Tuesday Night.

The alarm of fire, Tuesday night,
was occasioned by the burning of a
cabin at the residence of Mr J C Rob-
inson, on Richmond street. When
discovered, the fire had gained such
headway that the building was al-
most destroyed before assistance ar-
rived.

Hager Speaks Monday.

Hon S W Hager, candidate for Gov-
enor, on the Democratic ticket, will
speak at the Court House in Lancas-
ter next Monday afternoon (court day)
at one o'clock. Everybody cordially
invited to be present. As interest in
this race is warming up, a big crowd
will hear the speaker.

The Graded School.

The Lancaster Graded School will
open Monday, the 3rd of September.
Indications are that the largest num-
ber of pupils ever enrolled at this in-
stitution will report Monday morning.
It is very important that all children
be sent at this time, as much confusion
is caused by pupils coming in late.

Becoming Dangerous.

Automobiles are getting to be as
thick as burrs on a sheep's back, and
lives of those traveling in buggies are
constantly in danger. The machines
have come to stay, however, and the
old horse must get used to them.
There ought to be a law prohibiting
the reckless driving of the machine on
public highways. Some autoists run
at break-neck speed, and seem to
think they have the sole right of way.

The Big Nicholasville Fair.

Next week, beginning Aug 28 and
continuing through the 30th, the big
fair at Nicholasville will be on, and
from present outlook it will even sur-
pass the splendid exhibitions given
there in previous years. The people
of Jessamine are known far and wide
for their lavish hospitality, and those
who have been there before always
look forward with great pleasure to a
return visit. The show of stock will
be fine, and everything for the pleasure
and comfort of the public will be in
order when the bell rings for the
first ring. A large crowd will go from
Garrard county. Saxton & Trost's
famous band will play.

A Good Law.

Under a new law, the judge is re-
quired to draw names of jurors from
the wheel, instead of calling bystand-
ers when the regular number is ex-
hausted in making up the grand and
petit juries for Circuit Court. Here-
tofore it has been an easy matter to
secure enough men from those hang-
ing around the court house, but now
the sheriff must summon those whose
names are drawn from the wheel. In
this way, the professional jurors—that
is those who hang around in hopes of
being called—are put out of "busi-
ness." While it requires much more
work for the sheriff, yet the law is a
good one. So many of these summoned
for this court were disqualified that
Judge Bell had to draw new names
Monday, but Sheriff Arnold, who, by
the way, is one of the best in the state,
had them on hand early Monday morn-
ing and the jury was soon completed.

Much Business in Court.

The term of the Garrard Circuit
Court, which began Monday, will be
the busiest for several years. The
civil dockets are large, some important
cases being in the number, while the
criminal docket is heavier than usual,
and contains several cases which will
occupy much of the time. In his
charge to the grand jury, Monday
morning, Judge Bell called attention
to the various matters to be looked in-
to by the body, and urged them to be
diligent and painstaking in their la-
bors. The charge was listened to with
marked attention by the jury and the
large crowd in the court room. The
Commonwealth's docket was the first
called, and the state's attorney, Hon
Charles Hardin has been working with
might and main in every case. Mr
Hardin plays no favorites and is as
earnest in a small case as he is in those
of great importance. Judge Bell,
while giving lawyers and litigants all
reasonable time, is allowing no waste
of time, and keeps the wheels moving
rapidly, and with perfect impartiality.
The Record says unhesitatingly that
he is one of the best judges who has
warmed the wool sack on the Garrard
bench, and we have had the best law-
yers in the land in that all-important
position. Following is the grand jury:
John Egle, foreman, Charles Bur-
dett, Allen Ray, John Burnside,
W T King, J Wade Walker, Smiley
Walker, A T Anderson, James Combs,
Thomas Owens, John Meadows, J D
Pope. Petit jury—John Goodloe, J B
Gunn, John N White, Parker Greg-
ory, Vic M Rice, Ebb Scott, Mack
Jones, J W Reid J M Hiatt, Wm Scott,
John Tribble, Givens Terrill, W K
Leavell, Alex Dean, Dock Lee, James
Hill, S Morgan, Jerry Higgins, M F
Bont, Jno W Wood, Frank Thompson,
G A Brown, J W Boyston, James
Clark, Sr.

Quite a large number of small cases
have been disposed of, none of general
interest, however. The case against
Stewart Humber, for killing another
colored man, Will Merritt, was called
Tuesday and is in progress as we go to
press.

Watermelons are plentiful and
reasonably cheap. Cantaloupes are
just the reverse.

A Good Meeting.

The meeting conducted by Eld
George Gowen, at Hubble, is attended
by many people, and has awakened
much interest. Mr Gowen is a fine
speaker, and has many admirers in this
section. He has been in the South since
leaving Lancaster, and his many
friends are glad to welcome him back
to this, his old home.

The Only Laundry in Town.

can send your laundry every day in the
week and get it back the next. We
have a legion of satisfied customers,
let us add your name to our list. Work
called for and delivered.

son's clothing store. Lancaster, Ky.

A Splendid Selection.

The Eighth District Democratic
Committee, which met at Nicholas-
ville Friday, did a wise act in the se-
lection of Hon Jerry A Sullivan, of Rich-
mond, as a member of the State Cen-
tral Committee, to fill the vacancy
caused by the death of Hon Richard
Miller. A more perfect gentleman or
a truer friend does not live, nor would
it be possible to find a man more
thoroughly qualified for this, or any
other, position of honor.

May Go To Work.

The workhouse is full of trifling
coons. When they serve their time
possibly they will go to work and earn
an honest living instead of shooting
craps, stealing and selling whiskey.
There are many splendid citizens
among the colored people in Lancaster
and these are delighted at the warfare
being made on the trifling ones.
The Record suggests that the sorry
white people be now given a dose of
the vagrant law.

Successful For Thirty Years.

The following statement from citi-
zens of Mayfield tells result of thirty
years' trial of local option:

To whom it may concern:—We the
undersigned business men of Mayfield,
Ky., state that Mayfield has been a
local option town for more than thirty
(30) years, and that as an evidence of
the satisfaction of its citizens, from
both a moral and financial standpoint,
the majority for temperance was over-
whelming at the last election, in fact
the largest in its history. We have a
prosperous town, of about 7,000, not a
vacant business house in it, several
new ones recently built and others
under course of erection. A large
number of dwelling houses have been
erected this year. Our laboring peo-
ple are prospering and well provided
for, and their earnings, which in
whiskey towns usually go to the sa-
loons, are here expended for the ne-
cessaries and pleasures of their families.
We most heartily endorse local option.

LOUIS LANDRAM.

Entered at the Post Office at Lancaster, Ky., as Second-Class Mail Matter.

Member of

Kentucky Press Association

and

Eighth District Press League.

Lancaster, Ky., August 24, 1906

It affords The Record much pleasure to call attention to its readers to the candidacy of Mr E A Gullion, of New Castle, who is an aspirant for the democratic nomination for Superintendent of Public Instruction, one of the most important offices in the state. Mr Gullion, who is the editor of the New Castle Local, has had wide experience in school affairs, in fact we know of no man better equipped for the place, and he should be nominated and elected. He was president of the Kentucky Press Association last year, and did splendid work for the craft. As stated above, the office of Superintendent of Public Instruction is one of great importance, and should not be filled by a figure head. If Mr Gullion is given the place, the schools in the state will be looked after in the careful manner in which they should be.

Hon Harvey Helm, of Stanford, was declared the democratic nominee for Congress by the committee which met at Nicholasville Friday. This paper has had much to say, from time to time, regarding the many sterling qualifications of Mr Helm, and our readers are aware of the fact that better Congressional timber could not have been obtained. Young, brilliant true to his friends, and an indefatigable worker, he will make a record of which his constituency will feel justly proud. If every district is represented by an equally capable man, the Kentucky delegation will be heard from in the next Congress.

A number of Parisian ladies have formed the "Small Hat League," the purpose of which is to promote the return of small headgear, all of which is a timely move, but if they will succeed in reducing the price of the things, man, poor man, will rise up and call them blessed.

Editor Lew B Brown, of the Harrodsburg Democrat, hands out this hot one: "Don't count too much on the place of your birth or your breeding. The devil was born in heaven and of high estate, but he has been in hell a long time."

Each candidate has threatened to speak in Louisville. If they carry out this threat, the Board of Safety will have to remove the lid, for nothing short of strong drink will save the suffering citizens of the Falls City.

Wonder if these fearfully hot days were not sent to give the delinquent subscriber a taste of his final abode?

Galveston's Sea Wall

makes life now as safe in that city as on the higher uplands. E W Goodloe, who resides on Dutton St in Waco, Tex needs no sea wall for safety. He writes: "I have used Dr King's New Discovery for Consumption the past five years and it keeps me well and safe. Before that time I had a cough which for years had been growing worse. Now it's gone." Cures chronic Coughs, La Grippe, Croup Whooping Cough and prevents Pneumonia. Pleasant to take. Every bottle guaranteed at R E McRoberts drug store. Price 50c and \$1.00. Interesting to Kentuckians.

Work on the "Kentucky Horse," the history being prepared at the present time by Thomas A Knight, of Lexington, is progressing very satisfactorily. Mr Knight who was in Lancaster Friday visiting Mr Joe Haselden, reports that he has secured photographs of every notable stallion between the Kentucky River at Madison county and the Ohio River at Mason county. During the trip six stallions were discovered as being unworthy of a place in the history and a total of twenty were accepted. A majority of the horses accepted were photographed for the first time. In addition to securing this valuable lot of photographs, Mr Knight succeeded in locating paintings of "King," the sire of "Annie," who was the dam of Montgomery Chief, Burbon King, Emerald Chief and other great horses; "Indian Chief," one of the greatest saddle horse sires the world has ever seen and "Benton's Domed," the father of them all. These will be reproduced and used in the introduction with pictures of Gray Eagle, Imported Wagner, Blisset, Hindoo, Hanover, Maud S, Lady Stout, Alfred G., George Wilks, Burbon Wilks, Joe Downing, Hanover, Lexington, Bostor, Leanington and other great horses and mares that made Kentucky's fame as a horse State.

The End of The World

of troubles that robbed E H Wolfe, of Bear Grove, Ia of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago Kidney trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of General Debility." Sure cures Stomach, Liver and Kidney complaints, Blood diseases, Headache, Dizziness and Weakness or bodily decline. Price 50c. Guaranteed by R E McRoberts drug store. 1m

Farm Items.

It is thought that at least 1,700 carloads of Texas onions have been marketed through Denver, Col, this season.

A Lewis county man breaks the record by securing nine hundred and forty-two pounds of honey out of a bee tree.

A L Haggard sold to Simon Wehl 17 head of cattle, average weight 1,300 pounds, at \$1.70 per cwt. W H Leach sold to Warren Dennis 500 barrels of new corn, delivered on the cars at Kinkead, at \$2.00 per barrel. George town Times.

Government reports of the spring and winter wheat crops show that this year's yield of this necessary cereal is the greatest ever grown by this or any nation. It exceeds over 750,000,000 bushels. And the coming corn crop looks as if it too would strive to beat its own record.

One small farmer, whom we know, feeds and clothes his family from the proceeds of butter and milk which he gets from one Jersey cow. The record of this cow last year was 600 pounds of butter and 1,000 gallons of milk, which netted the owner about \$250. Winchester Democrat.

W B Woodford sold 36 head of fine export cattle at 5 1/2 cents per pound. Joseph Stuart, of near Paris delivered to Spears & Son, 740 bushels of wheat at 80 cents. It is stated by a reliable shipper that at least 45,000 lambs have been shipped to the eastern markets from this county for which farmers have realized an average of \$5 per head or in round numbers \$225,000. —Bourbon News.

C C McDonald, buyer of Sulzberger & Schatzchild, of New York, purchased at Paris from G C and J C Hamilton, of Montgomery, 194 fat cattle for eastern markets. The cattle averaged 1,400 pounds. The lot brought a total of \$14,102, or 5 cents per pound straight.

Mr G W Baker, who owns four acres of land in the suburbs of Goffney, S C rented last year, according to the Cherokee News, two acres more from a neighbor, and from these six acres, after providing food for a rather large family, he sold 340 bushels of sweet potatoes for \$272; 898 worth of cotton and \$35 worth of snap beans, besides making 50 bushels of corn and killing 500 pounds of pork which he fattened from the products of the farm.

Joseph Downing, farmer of the Chilchurk neighborhood, Fayette county, had four sheep killed by dogs Friday night. Saturday, under the new law reimbursing owners for sheep killed by dogs, Mr Downing made affidavit of his loss before a magistrate and filed a claim against the State for the sheep lost. This is the second claim made in Fayette county under the new law, Jacob Graves, of the same locality, a few days ago having filed bill for several sheep which it is alleged were killed by the same dog that injured Mr Downing's flock.

At Lexington the price offered for new timothy hay declined last week and \$11 was the best price offered for hay. Sheaf oats is bringing a good price and the market is strong at \$10. Old corn brings \$3 a barrel, while old timothy hay baled brings \$18 and old loose timothy hay \$16. Baled straw is selling at \$5.25, while the the loose brings only \$4.25.

Weanling mule colts were sold last fall at what was then thought to be record breaking prices; several top-notchers sold for as much as \$100. High as the long-eared beauties were last year, however, the indications are that they will go ever higher this year, and buyers are already engaging them in Central Kentucky counties at \$100 each. In Barren county a number have been engaged at \$85 each, and one sale has been reported at \$100. Weanling mule colts are going to be almost worth their weight in gold this fall.

Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev M O Stockland, Pastor of the first M E Church, Little Falls, Minn writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." quiring about him and offering assistance. He is especially grateful to the young ladies who have shown so much attention. While the Captain is very feeble, yet he enjoys company and appreciates every call.
As one of the most popular couples at Crab Orchard Springs were "missing" Tuesday, The Record thought it would have a wedding to announce this week, but it turns out that the bighearted bachelor, whom all thought would return wearing a broad smile, came back looking dejected and forlorn. It was all off. He has made love to every pretty guest visiting the springs for the past forty years, but we will wager a stack of blue chips that he will yet win the heart and hand of some pretty maiden. Sir Isaac deserves an angel for an helpmeet, and here's hoping he will win one.

IN MEMORY.
Shadows of great sorrow fell over the hearts and home of Mr and Mrs Thomas Palmer when they were called upon to lay away their little daughter, Nora Annalee. On the morning of August 7th, the little infant, while playing, found some strychnine tablets which soon ended its life. All that loving hands and a skilled physician could do was of no avail. For twenty short months God has permitted the parents to have this bright, sweet little girl, then he plucked the little bud that in might blossom in a fairer clime. This is a tale bidding parents and loved ones to a better world. Father and mother, remember Heaven is coming still nearer you. Your holt on this world must be broken for little Nora is calling you to the "Summer Land of Love." She has gone in advance. Some one must go before. Then commit yourselves to your Heavenly Father, trusting his guidance. May God's grace comfort these parents till they are called up higher to meet the precious babe glorified at the Throne of God. * * *

MAKING HAY WHILE THE SUN SHINES.
There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. CALL FOR Congressional Primary

1. A primary election is hereby called for Saturday, the first day of September, 1906, in all the voting precincts in the Eighth Congressional District of Kentucky, at the regular voting places, between the hours of 6 o'clock a. m. and four o'clock p. m. for the purpose of selecting a Democratic candidate for Representative in Congress in said District.

2. All Democrats who are residents of said District, and who are legal voters on November 6, 1906, will be permitted to vote in their respective precincts, and are invited and requested to do so.

3. Every candidate who desires to have his name printed on the ballot to be used in said primary must deposit with the Chairman of this Committee, on or before 12 o'clock midnight—fifteen days before the date for holding said primary, the sum of seven hundred dollars, to be used in defraying the expenses of holding said primary election, and at the same time making said deposit each candidate must give written notice to said Chairman that he desires to be a candidate at said election, and notice to the Chairman shall be notice to the Committee.

4. In all those counties having cities in which the law requires the registration of voters, the Democratic Committee of such counties, or the Chairman thereof, is authorized and directed to cause the names of Democrats registered at the last general registration, to be copied into separate books, as is required by law.

5. Said election shall be held, in all respects, as provided by law for holding regular primary elections, and a uniform ballot shall be used in every precinct; and the Chairman of this Committee is hereby authorized and directed to cause to be printed, bound and distributed to the various Chairmen of the County Committees the ballots for each county. He is further directed to purchase and distribute to the Chairman of the County Committees all the necessary paraphernalia for holding said primary election.

6. The Democratic County Committee of each county shall appoint the officers in each precinct to hold the election, and they are to be selected from lists furnished by the candidates at least ten days before said election; and to be as nearly equally divided as possible as to Judges, Clerks and Sheriffs, among the various candidates. The officers of the primary election will, when the polls are closed, proceed at once to count the votes cast for each person for said office, and after counting the votes, they will return to the boxes, sealing up the boxes and the ballots, and deposit them with the Chairman of the County Committee, at the court house in the respective counties.

7. The precinct ballot boxes and all returns are to be made to the Chairman of the County Committee, and if he is not in the county, to the Secretary of the County Committee, at the court house in the time required by law, to wit: within two days after said election.

8. And on next day after said returns have been made, the County Committee shall meet and canvass the returns, and certify the same to the Chairman of the District Committee of the Eighth Congressional District, which District Committee shall, on Wednesday, the fifth day of September, 1906, at 10 o'clock a. m. in the City of Nicholasville, Jessamine county, Kentucky, meet and canvass the returns, declare the result and issue a certificate of nomination to the successful candidate.

9. The Secretary of this Committee is directed to give public notice of this election, as is required by law, and to hold delay.

10. In the event there is a surplus remaining, after defraying the expenses of said primary, it shall be returned to those by whom it was paid in, in the same proportion in which it was paid by them; and if there should be a deficit, then the candidates shall be assessed to supply such deficit. Provided, however, if no more than one candidate shall have complied with the conditions herein imposed, by August 19, 1906, then the Chairman of the District is directed to rescind the Committee, as soon thereafter as practicable, and to declare the regular nominee of the Democratic party for said office, and to issue to him a certificate of nomination, and the primary election herein ordered will not be held.

11. The order on the ballot in which the names of the candidates who may enter this primary shall be printed, shall be determined by lot.

12. No registration shall be required in towns or cities where no registration has yet been had under the general election law.

J. Norton Fitch, Chairman.
Letcher Saunders, Secretary.

GOOD FOR OLD AND YOUNG

August Flower keeps the children healthy and strong—Put vigor and frolic the whole day long, so when Mamma needs more they rush off in high glee, And about to the druggist: "Please give it to me!"

Unusually to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.

THE CHRISTIAN WORLD

UNIQUE CHINESE MISSION.

Native Christians Conduct a Successful Forward Movement in Shanghai.

In December, 1905, an informal conference of 12 leaders of missions having Christian work in Shanghai, met to discuss the need of a spiritual forward movement. They decided that to be most effective this should be conducted by Chinese. Various members consulted with their Chinese associates, with the result that the Chinese clergymen and other Christian workers met daily for ten days at the Chinese Y. M. C. A. to pray about the matter.

It was finally decided to invite Dr. Y. S. Li and Rev. B. D. Li, of Suchow, to visit Shanghai after the new year. Three thousand confessions and prayer cards were distributed to Chinese Christians, and on February 13 meetings began, which were strictly limited to Christians. For eleven evenings, in the midst of constant rain, an average of probably 200 church members assembled at the London mission and Presbyterian churches. Dr. Li addressed the missionary prayer meeting, and his statement that the lack of spiritual power amongst Chinese Christians was largely due to the same lack among foreigners, who are the instructors and leaders of the Chinese, was received by an audience conscious of its truth.

Mr. R. E. Lewis writes to the Record of Christian Work that Dr. Li's last meeting was largely attended, and for two hours there was a stream of prayer, testimony and confession of sin. The Yoke Fellows' band at the Chinese Y. M. C. A. planned a series of meetings for English-speaking non-Christians. These have just closed, having been addressed by Mr. F. S. Brockman on four evenings. Audiences larger than have ever been crowded into the rooms listened; two after-meetings were held with about 50 inquirers, of whom 12 publicly expressed their purpose to be Christians. Some of these were men of prominent families, and will have opposition and temptation to face, but all of those who definitely decided had been in past years students in Christian colleges, but had made no open confession to Christ.

PAPYRUS TREASURE.

Ancient Manuscripts of a Fragment of Another Gospel Found in Egypt.

Though of course on an exceedingly limited scale, there must have been some sort of circulation of the Scriptures in ancient times, says the Record of Christian Work. Papyrus fragments are continually being brought to light as the result of archaeological research. The latest "find" is one of considerable interest. Drs. Grenfell and Hunt, two of our most accomplished scholars, have just discovered at Oxyrhynchus, an ancient Egyptian city on the banks of the Nile, a vellum leaf, containing 45 lines in all, from a manuscript of a lost gospel. The incident it records is quite different from anything we have in the canonical gospels, but the figure of our Lord in it is easily recognizable from all we learn about Him in them. The fragment tells of a visit of Jesus with his disciples to the temple at Jerusalem, where they meet with a Pharisee, who reproaches them with their failure to perform the necessary ceremonial of purification before entering the holy place. The Pharisee, in answer to a question by Jesus, describes in some detail the formalities he had himself just been observing, whereupon Jesus makes an eloquent and crushing reply, the burden of which is the contrast of outward with inward purity.

UNIQUE OFFERING IN KOREA.

Native Converts Give Days of Service That the Gospel May Be Spread.

A few months ago some 400 Christians in North Korea, where the power of God has been deeply felt, met together, asking of one another what they could do to spread this Good News of Christ.

After much prayer and conference, they decided to make a new kind of offering to the Lord. They had already decided what money they could afford, and now they decided to give an offering of men for free, willing service in spreading the gospel among those of their countrymen who knew it not. Each gave a definite number of days, and before the meeting closed, two years of time had been voluntarily offered. The news spread round the district and soon 2,000 days of voluntary service were promised.

Several months have passed, and now within the last fortnight we hear that 2,000 souls have been added to the church, and the work still going on.

Separation of Church and State in Italy.

France has cast aside what she felt to be her religious shackles, and it may be natural that the movement in France should be followed by similar movements in other Catholic countries, as, for example, in Italy. In fact, Riecolto Canudo tells us, in the Gazette de Geneve, that the demand for a separation between the Italian church and state is constantly growing louder, and that a crisis may be expected soon.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

HOW TO FIND OUT.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once.

Foley's Kidney Cure is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
